\*This list represents options available to COTO's partnering school districts dependent on current MOU, enrollment, and instructor availability; therefore, not all courses are offered through the CEP each year.

For individual course descriptions, see [http://www.coto.edu/pages/course\\_catalog](http://www.coto.edu/pages/course_catalog)

\*\*Credits earned through CEP are included within the Arkansas Course Transfer System (ACTS) that guarantees transfer of applicable general education credits as well as selected business courses to public colleges and universities in Arkansas. For a link to the Arkansas Department of Higher Education database that allows the comparison of individual course transfers between institutions, visit <http://acts.adhe.edu/studenttransfer.aspx>

^ Students who do not complete the prerequisite (first course(s) in a sequence) with a "C" or better are not eligible for enrollment in the subsequent course.

^^Note – Although a part of ACTS, accounting and business courses are not general education core courses.
